Meeting Minutes

The meeting was held at Lazydays RV Park. The meeting was called to order by Tracey Lamonica, President, who led the group through the Pledge of Allegiance. 11 coaches were represented at the chapter meeting.

New members:

Brent & Dawn Cox

2020

Dennis & Shelly Goltara

Bill & Margaret Cronin

Wayne & Debby Carter

We are all looking forward to getting to know the new members.

Retired Members:

Jim & Ruth Pearce

Charles & Betty Watson

Drenda Phillips

We wished them well and safe travels.

Everyone is asked to recommend a possible destination for a rally. Don & Shirley Jett recommended Fayetteville NC. Should you decide on a destination, call the campground and determine how many the park can accommodate. That information will then be shared with Rich Forcier, Rally Coordinator. The President will work with the Rally Coordinator to determine if it's viable and an email will be sent to us members to find out how many are interested in attending. There was a discussion that the number of coaches attending will be important for the campground to know, but there is no pre-determined number of coaches that need to attend to hold a rally. Cherry Hill Park, MD will be planned for 2022.

The Treasure's report was given by Bernie Williams. The balance as of Dec 31, 2020 is \$2197.49 (complete report attached).

Tracey Lamonica (President) requested that, since it is the end of her and Bernie Williams' (Treasurer) terms, we need to ask for nominees to be voted on.

The nominees are:

President - Kenny Browning

Vice-President - Roger Roy

Treasurer - Johnny Spacek

Rally Coordinator - Rich Forcier

All members voted yes for the nominees.

Paul Williams will continue as Secretary

There were many thanks, by the members for the new team and a round of applause for the fantastic job the outgoing members had accomplished.

As a final note, we are all wishing Johnny Spacek a safe and speedy recovery from his pending heart surgery. Ray Shea is still mending. Our prayers are for them both.

As the new President, Kenny Brown adjourned the meeting.
