

Mid-South Roadrunners

A chapter of the Fleetwood Motorhome Association, Inc

Hope all are doing well and staying safe during this pandemic. Vince and I have been staying busy while trying to stay safe. Some of you may know we purchased a winter home in Florida last year at MOSN and we absolutely love it there.

We just concluded hosting our summer rally here in Pennsylvania and we believe it was a success, in spite of Covid. We started at the Jennerstown Speedway Complex and finished at Friendship Village Campground in Bedford. We started with a dozen coaches signed up for the rally and ended up with a total of 4 including Larry and Mary Ellen Hornsby, Don and Shirley Jett and new members, Rudy and Cheremy Vivona. Some had to cancel due to covid policies, one due to illness and Paul and Bernie had to wait on their new coach. Congrats Paul and Bernie! Nevertheless, we all had a great time and it was decided we will try to do it again next year. Friday night we hosted a spaghetti dinner. The Saturday night races had to be canceled due to rain but, Larry, Don, Rudy and Vince got run the coaches on the race track Sunday morning. A great time had by all! We went to the Flight 93 National Memorial and the Johnstown Flood Memorial. Larry performed his famous Karaoke our last night in Bedford. Even a few of our neighboring campers joined in on the fun.

Please continue to pray for Ray Shea. He is slowly making some progress but still has a very long way to go. If you would like to send him a card of encouragement you may do so to the following address:

Pauline's daughter, Janet has been very gracious at keeping us up to date on his condition via Facebook.

Until we meet again, Please stay well and travel safely!
