Summer Newsletter - 2016

Well, this year is already half over. Hope everyone had a safe and happy July 4th. I would like to welcome new members Pat & Debbie Branigan, Walter & Alyne Fulton and Jack & Claudia Rutherford!
WELCOME to the MSRR!

Summer is here and I see where a lot of you have been on some really fantastic trips. Larry and MaryEllen Hornsby were on a cruise and Larry was really living his dream. He auditioned for and won the singing part of Frank Sinatra on a Carnival Dream Cruise in their show called THE LEGENDS. He sang "My WAY". Go Larry!

In bad news, Randy and Robin Brock lost a son, Phyllis Easter lost her brother and Jeff Bratsburg fell while jogging and had to have surgery to repair a torn quad tendon. I hear he is on the mend.

The summer rally in Bedford, PA hosted by Vince and myself is coming up fast. We were hoping for 20 coaches and now have 26 signed up! Waiting list only, if you are interested.

In other rally news, there will be a fall rally this year. Al & Judy Norton, George & Sarah Foust and Joe & Nancy Durrance are cohosting and have been working hard to bring together a rally in Memphis, TN this coming October 3-6, 2016 at the Agricenter campground. You will be notified by email as soon as all the details are in. As of now they are planning to reserve 20 sites, 2 catered dinners, 2 catered breakfasts, a city tour and option for Dutch treat. The cost will be approx. \$225.00 - \$230.00. I know many of you have expressed a great interest in this rally so I'm sure it will fill fast. Keep watching your email for your Memphis Rally Registration.

Hope everyone has a wonderful summer and remember to always...
