

# Mid-South Roadrunners

A chapter of the Fleetwood Motorhome Association

## Winter Newsletter - 2017

[www.fma4fun.org](http://www.fma4fun.org)

Wow, another year over and 2018 is upon us. This has been a year full of ups and downs. Some of us have lost loved ones, many have been ill. Some of us have gotten new coaches and others are building new homes.

The Jetts are building a new home in North Carolina and the Brocks have a beach house under construction. Marie Inman's cancer has returned and she has started a new round of chemo. Ron Kummer had a partial knee replacement and is recovering well. Anne Fletcher fell down steps, which resulted in 3 cracked ribs and a collapsed lung, right before Christmas.

If you are not yet in Florida, I know many of you are headed that way as are Vince and I in January. We look forward to seeing you there, most likely at the FMA rally at Lazy Days. There will be a Mid-South Roadrunner business meeting during the rally and I hope every one of you in attendance at the rally will join us. There will also be a pizza party for our club; details to be announced in a future email as well as date and time for the business meeting.

As you may already know, we have new officers. I will remain President for 1 more year, Ray Easter has taken over as the club Secretary and Phyllis is back as club Treasurer. The officers have been elected by Unanimous Proclamation.

I hope you have taken the time to read and study the "New Reorganization Plan" as sent out by Ray Easter. This plan will be the main topic of discussion at our business meeting during the rally. This is our club and it takes each and every one of us to keep it moving forward. We need rallies to keep the club alive. We need every one to participate in club activities. Of course we can't all always be at every rally but, at some point, we must, each and every one of us step up and be an active member. Without "active" members there can be no club.

When first presented with this new plan I was a little apprehensive. I have studied it and I do believe it will work. It can work but it will take all of us to make it work. The bottom line is it must work.

We all enjoy participating in the social events, activities and friendships this club has provided us. I believe you would agree that The Mid-South Roadrunners is a great organization or you wouldn't be here. Please, we need you to keep it alive and well.

Ray, Phyllis and I are looking forward to seeing you at our business meeting in Florida.

Wishing you all safe travels and remember to always...
